

Exploring Mission Shaped Church

Exploring Mission Shaped Church is a tailored presentation for PCC's, Ministry Teams or Deanery Groups exploring what it might mean for a local Church to be 'Mission Shaped Church' today and what steps we might need to get there.

Issues touched upon include

- The shape of our world today
- The shape of our church today
- The mission call of God
- Our present response
- The need and opportunities for change

Aiming to help develop both traditional and fresh expressions of Mission Shaped Church

If you would like to discuss the possibility of a member of the Mission Support Team coming to explore these issues with you, please contact the Archdeacon of Norfolk's secretary (01603 702477 Monday to Thursday 9am –1pm).

Although not experts, members of the group are always willing to meet with others (groups or individuals) to help think through the issues of being a Mission Shaped Church from their own experience.
